

For journeys that matter

## Addison Lee - Your Premium Car Service

We are pleased to offer Executive Members a premium car service after the match provided by our partner, Addison Lee.

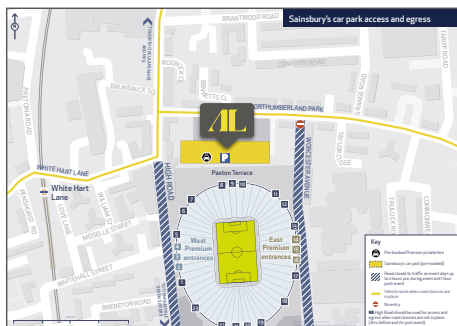

Executive Members will be able to pre-book a car via the Addison Lee mobile app, with an exclusive £5 discount. A unique code for every home match will be sent via email to access the discount. The Addison Lee app can be downloaded via the Apple or Google Play app stores.

**To ensure a car post-match, you must book by half-time.** Once booked, your car will be waiting for you at your designated pick-up time in the Sainsbury's car park. Entry will only be granted to Members that show a valid Addison Lee booking confirmation (which will be sent via text message)

alongside their match day premium ticket (Stadium Access Card or eTicket).

Please find a map (below) showing where the service will run from.

For any questions contact [premierbookings@addisonlee.com](mailto:premierbookings@addisonlee.com) or call **020 7387 8888**.
